

## Product Change Notification

Alpha Foil Resistors/Feb 2018/PCN-ALP-001-2018

### External Coating Material Change

**【DESCRIPTION OF CHANGE】** Change to resin for external coating material of Precision Thin Film Resistor , Type TLA, TLC and Thermosensitive Resistor, Type NLA, NLB, CLA, CLB, KLC

**【CLASSIFICATION OF CHANGE】** Color change of external coating from green to black

**【REASON OF CHANGE】** Unavailability to pulverulent coating material

**【EXPECTED INFLUENCE ON QUALITY/RELIABILITY/PERFORMANCE】** No effect on quality, reliability and/or performance

**【PRODUCT CATEGORY】** Thin film resistor, Thermosensitive resistor

**【PART NUMBERS AFFECTED】** Type TLA, TLC (Thin Film Resistor)  
Type NLA, NLB, CLA, CLB, KLC (Thermosensitive Resistor)

**【START SHIPPING DATE】** September 1<sup>st</sup>, 2018

**【PRODUCTION IDENTIFICATION】** Able to be identified visually

**【CONTACT INFORMATION】**
